**PETITION UNDER 37 C.F.R. § 1.181(a)
TO WITHDRAW HOLDING OF
ABANDONMENT**

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants respectfully petition under 37 C.F.R. § 1.181(a) and MPEP § 711.03 to withdraw the holding of abandonment for the above-referenced patent application. The application went abandoned March 12, 2003 for failure to respond to an Office Action mailed September 11, 2002. Applicants request withdrawal of the holding of abandonment because the Office Action was not addressed and mailed to Applicants' representative, Annette S. Parent, an attorney at Townsend and Townsend and Crew, LLP in San Francisco, CA.

As evidence, the following items are enclosed herewith as Exhibits 1 and 2:

1. A true copy of the front page of the September 11, 2002 Office Action.

ZUKER et al.
Application No.: 09/510,332

PATENT

2. A true copy of the Docket Record of the Applicants' representative, Annette S. Parent, for the period where the non-received Office Action would have been entered had it been received and docketed (December 8-15, 2002 and March 8-15, 2003).

REMARKS

The Office Action in question was improperly sent to the wrong law firm by the Patent Office, as shown in Exhibit 1. Due to PTO error, Applicants did not receive the Office Action until Examiner Robert Landsman faxed a copy to Townsend and Townsend and Crew on March 13, 2003. (See fax date at the top of Exhibit 1). This was two days after the final deadline for a response. Consequently, Applicants' representative had no notice of the Office Action during its pendency, as evidenced by Exhibit 2.

The PTO apparently mailed the Office Action to Pillsbury Winthrop, LLP because of a change of correspondence address filed by the Pillsbury law firm. However, that change of correspondence should never have been entered by the PTO because the Pillsbury law firm did not have power of attorney for this application.

The undersigned notes that another Townsend and Townsend and Crew, LLP attorney, Matthew Hinsch, had a conversation with William Dixon of the Petitions Office indicating that these facts are appropriate for withdrawal of the holding of abandonment.

Applicants contend that, the evidence provided herein establishes that due to PTO error, Applicants did not receive the Office Action, mailed September 11, 2002, during its pendency. Applicants therefore request the following:

1) As the misdelivery of the Office Action was due to the actions of the PTO, Applicants respectfully petition under 37 C.F.R. § 1.181(a) and MPEP § 711.03 to withdraw the holding of abandonment. Petitions filed under these provisions do not require a fee.

2) As the Applicants have not yet had an opportunity to respond to the September 11, 2002, Office Action, Applicants respectfully request the reinstatement of

the statutory reply period, effective from the date of the Examiner's response to this correspondence.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 415-576-0200.

Respectfully submitted,
